#2016

Diana Lui, Alice Lévêque, Lea Patrix

Set consisting of three books.

The first residence of the three photographers chosen Diana Lui, Alice Leveque, Lea Patrix took place in January / February in Toulouse.

The residence 1 + 2 is a photographic program anchored in Toulouse and with European vocation. It associates each year:

- 3 photographers: a renowned photographer and two young photographers under the age of 30, including a Toulouse photographer,
- 3 European cities (Brussels and Barcelona for 2016 and 2017)
- 3 mediums (collection with Filigranes editions, exhibition in Toulouse then itinerant, film of monitoring of residence).

Halfway between workshop and residence creation, this annual program is unpublished in France in its formulation and its transversality.

Its ambition is to enhance all the material and immaterial heritages of Toulouse and the region through three concomitant photographic productions carried out in situ: diasporas, memories, industries, know-how, lifestyles, architecture ... Both nationally and internationally, show the richness and diversity of these heritages. It is an integral part of the lalel "Une Saison Photo" in Toulouse.
