Deauville, whose identity is multiple and complex, lent itself since its founding in 1860, the game  
looks and reappropriation. Alternately, the first photographers, reporters of the illustrated press, the  
great writers of the 1930s and 1950s, many Magnum photographers, and the greatest fashion  
photographers have invested and returned Deauville with curiosity, attention and listening allowing  
to be inspired and creative.
