Bernard Noël

This book articulates a series of color photographs that seem to gradually reconstruct the fragments of a "mental landscape" in the eyes of an enigmatic young woman who is not remotely without mentioning that the hanta Aurélia Gérard de Nerval ...

Sort of "dream-movie" awake, this sequence of images could be like Christmas evokes Bernard (author of the text of the preface), a "new eye" or "novel of a look." .. This series is followed by a study on the occasion of the fortieth anniversary of the death of Jean Cocteau in the footsteps of the author of Testament of Orpheus.
