

L'entre temps
Christine Lefebvre

Corinne Mercadier

It was first a trip of three months in rural China, with, in his pocket, the book of Gao Xingjian:
Mountain of the soul.

Then Iceland, country where the imprint of time overwhelms you.

And my meeting with Eurydice, where suddenly a person was revealed to me as a landscape! It was
by the sea in Madagascar, she walked in front of me and I followed her without really knowing why

...

"Above all, do not turn around!"

Her skin is crumpled, marked by life, but she carries her age with dignity, in the acceptance of time:
absolute beauty!

The link was made between geological time and time engraving the stigmas in each of us. This was
the beginning of a long series of meetings.

In the meantime, this intercalary space, in which I slip, between the different strata of time, in an
inner journey.
