

Entre fleuve et rivière

IBAI ETA ERREKA ARTEAN

Christophe Goussard, Charles-Frédérick Ouellet

Itxaro Borda

This book is born of encounters, an interest in landscapes and mutual curiosities. Beyond a dialogue between two photographs, Between river and river is an inspiration, a desire to explore a common history.

These are two views crossed on the Basque country and the territories of Quebec and Labrador, on the rivers that run through them. Looking for fictitious or real traces, is a very personal reading of the landscapes.

Christophe Goussard, French photographer from New Aquitaine Charles-Frédérick Ouellet, Quebec photographer, have each discovered the territory of the other.

The prose poems of Itxaro Borda invite a third look at these images.
