LA BOUTONNIÈRE DU PAYS DE BRAY

Thibaut Cuisset

Gilles A. Tiberghien

Cuisset Thibaut was immersed in the countryside. Without neglecting the different scales offered by the scale panoramas, he returns a landscape discreet, no ranting. Not that specific to surprise the tourists but the honest man, a land walking writer living and quiet that can be discovered with patience and caution .. This retention of the operator, which is as attention to the substance latent landscape is reflected in the interest of photography and documentary accurate light .. Thibaut Cuisset out of this land the variety and quality of specific landscapes, but it also offers a close reading of his concerns, that of an "absolute outside, pure and universal."
