

Pièces sur l'amour

Pascale Kaparis

Frédéric Emprou, Pierre Wat, Ed Hanssen

The heart of this book revolves around the theme of love. As part of this achievement the artist Pascale Kapari interacted with young adults between 20 and 25 all from the Nord-Pas-de-Calais, and was filmed. The shooting took place at the Lab-theBankis at Bethune. Pascale Kapari filmed each person in a different room. The rooms were empty and bare, with only a chair. The artist asks questions – on this theme of love – young people who go voluntarily leave their thoughts aloud.

Some sample questions:

"When you know you love someone?"

"What we feel at first kiss?"

"Is this love that leaves a trace?"

"Are you afraid of abandonment when you love ?"...

Meanwhile, the book is accompanied by fragments of paintings by Pascale Kapari.
