Miracle-Oracle

"Miracle-Oracle is designed as a poem. The moment a moment, the words are there ... It must then go quickly, very quickly, and put on paper. This moment of grace occurred February 3, 2010 to 17 hours ... I was in Dubrovnik's old harbor ... I was helpless for three days because my trip was more like a shock to a rediscovery of a familiar country. The night before, I was part of Croatia by bus to cross the border to Bosnian etme à Medjugorje, the village of apparitions of the Virgin Mary since 1981. I used to dem'y as a child. "
