

Cœur bleu

VOYAGE EN BRETAGNE

Amaury da Cunha

Cœur bleu, voyage en Bretagne is a book of photographs taken over the course of a year around the Château des Flégés, a place that marked a part of my childhood. We would visit briefly, two or three times a year, just enough to make me tremble with both fear and wonder. I remember a pond of stagnant water, a treasure said to be hidden beneath the seventh step of a granite staircase, and my great-grandmother, ill and almost never leaving her room.

Forty years later, I returned to the château for short stays, following the rhythm of the seasons. I photographed what were, perhaps, fragments of childhood memories, and I also wrote about what I could no longer see. I wanted to enter this story the way one enters a novel.
