

# Mouvement à quatre mains pour mère et fille

Audrey Armand, Evelyne Armand

This book is a song of love between a mother and daughter  
A flower of hope,  
Soft colorful musical joy and pain,  
Corolle a soft wind finally calmed happiness of a storm.

*Nice surprise in fact from my daughter especially, those words rather flattering: your photos are beautiful ... But it must be said that the model is beautiful. I like his features, his finesse. Everything is harmonious in his face. And for a mom it is to capture such an attitude, such a look, such as smile and hide the whole by a branch or a flower that nature offers us. The shadows move and draw on the oval of her face some pain, some joy. But the tired features of my daughter are there too. I'll take them off, revealing only what it really is. Fatigue due to sleep deprivation nights to broken dreams, to deep anguish as some makeup dark circles that those eyes.*
