La rue de Paris  
MONTREUIL-SOUS-BOIS  
Thibaut Cuisset

Jean-Christophe Bailly

Photographer, inventor of a world on the brink of reality, Thibaut Cuisset travel throughout the world and lives in Paris rue de Montreuil. A street that he knows until he sees more. So, as it did in Australia or Japan, Italy or Turkey, he went to his discovery. He stalked the confusing images, geometry secret, unexpected colors. And Jean-Christophe Bailly followed his example. He, too, for his part, went exploring the streets of Paris, has been described. Not the same as Thibaut Cuisset, as expressed through writing.
